1 ea Private Stock 1-lb Waxed

-Aged 16-18 Months. Smooth & refined Extra-Sharp. This is the one our farmer-owners give as gifts.

1 ea Sharp White 1-lb Waxed

-Aged up to 8 months, Sharp cheddar is our most popular age. One taste of our Classic Sharp Cheddar and you'll understand why it's won more awards than any other cheddar.

Dipped into wax by hand to seal in its flavor and smooth texture, this is a handsome gift.

1 ea 50% Light 8oz Bar

-Cabot's Reduced Fat Cheddars keep winning in taste tests nationwide. Why? Because we know how to craft great cheddar. One 1-oz serving has just 70 calories & 4.5g fat.

1 ea Sharp White 8oz Bar

-Aged up to 8 months, this cheddar has a full, well-developed flavor with just the right degree of sharpness to satisfy real cheese lovers.

1 ea Extra Sharp White 8oz Bar

-Aged for 12 to 14 months, extra sharp has reached a flavor that separates Cabot from all other brands.

1 ea Seriously Sharp White 8oz Bar

-When Sharp goes awry, when Extra Sharp earns a pucker, Seriously Sharp is born. It never tastes the same from one batch to the next. It's a cult thing...the cheese we used to sell to hunters and truckers...on their way out of town.

The gift box also includes a wooden cutting board and embroidered apron.
