Dear Friends of Soroptimist of Willimantic,

This is the time of year we are usually hard at work preparing for our annual Heart to Heart Ball which we have proudly held for 17 years. Sadly, due to COVID-19, we will not be able to hold our major fundraiser in March. We want to continue our mission of improving the lives of women and girls and cannot do so without the generosity of donors like you. We are asking for your support of our programs.

The Willimantic Soroptimists have been active here in Eastern Connecticut for 55 years! Over those years, your generous tax-deductible donations have helped to make our community a better place for women and girls. You will be recognized for your donation on our website, in the newspaper, and on WILI on March 8, International Women's Day.

In our commitment to improving the lives of women and girls, we have used our funds to support the Domestic Violence Program., the Next Step program, the Sexual Assault Crisis Center and to provide Dream Grants to help women receive certifications. Our Live Your Dream Award is given to a woman who is a head of household and needs training or education to improve her life and the lives of her children. Our Dream It Be It conference for girls provides information about safe choices and career opportunities for high school girls from our 7 area high schools.

On behalf of all our members, as well as the community we serve, we want to personally thank you for your continued support. It is genuinely appreciated. We look forward to seeing you in the future at our community-wide Appreciation Celebration or at the Ball on March 5th, 2022.

You can make your tax-deductible donation via our [Facebook Page](#) or you can complete and mail the [Donation Form](#).

Sincerely,

Ball Committee, Soroptimist International of Willimantic
